

Hantering i DIWASS för transportörer

Användarmanualen förklarar hur transportörer arbetar i DIWASS. Övriga svenska aktörer ska arbeta i Naturvårdsverket e-tjänster.

DIWASS är EU-kommissionens system och inte Naturvårdsverkets.

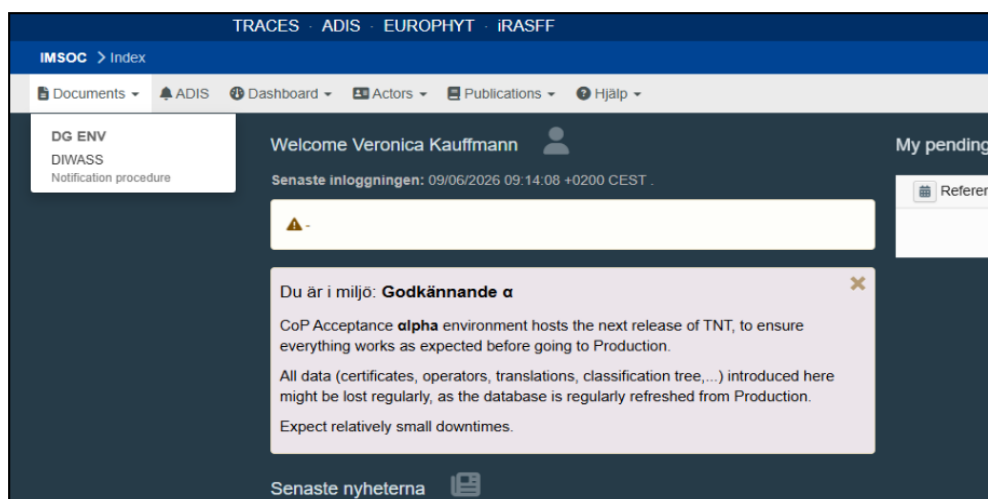

Användarmanualen är därmed inte verifierad av EU-kommissionen. EU-kommissionen har publicerat instruktionsvideos om hanteringen i DIWASS som går att hitta via denna länk: [Video tutorials for operators](#)
